Mrs. Earl Surprised by Ladies' Aid, Which Left Souvenir of Occasion.

The ladies' aid society of the Presbyterian church met last night at the home of Mrs. Earl, who has been president of the society for the past year. The gathering was a complete surprise to Mrs. Earl, and the intention was to show in some tangible way the deep appreciation felt by the society of the splendid work done by her while president. Mrs. MacArthur, the pastor, voiced the feelings of all present and, in fact, of the whole church in a brief address, in which he set forth the diligence with which she carried on the work entrusted to her and referred to the great help she had been to the Sunday school during many years. In short, there was nothing Mrs. Earl could do, so far as time and strength permitted, that she was not willing to do, and in honoring her they were honoring themselves. He then presented Mrs. Earl a pretty purse, containing a gold coin, all being enclosed in a silk-lined case of great beauty. Mrs. Earl, who was taken completely by surprise, thanked the ladies for their kindness. Light refreshments were then served and an enjoyable evening spent.
